

### **NORTHTRIDGE SIBLING DISCOUNT**

The Northridge Discount will apply to families paying \$20,000+ in annual combined tuition to Northridge, The Willows Academy, and Embers Academy. We know that over the years numerous Northridge families have wanted many or all their children to attend these schools, but have sometimes found that the combined sum of their tuition made it prohibitive. The Northridge Sibling Discount is intended to help our families send multiple children to these schools, if they so desire.

#### **Sibling Discount - explained**

- The Sibling Discount will be applied to your Northridge tuition if the sum of your tuition and fee payments made to The Willows Academy, and Embers Academy, plus your anticipated tuition and fee payments to Northridge (pre-Sibling Discount) exceeds \$20,000 ("Combined Tuition").
- The Sibling Discount amount will be 10% if your Combined Tuition is \$20,000 - \$20,999. The Sibling Discount will increase from the 10% level at a rate equal to 8/10ths of 1% for every \$1,000 in Combined Tuition over \$20,000. The maximum Northridge Discount obtainable is 50% of your pre-Northridge Sibling Discount tuition.
- Example: For a family with Combined Tuition of \$40,000, the Sibling Discount will be 26% of their family's pre-discount tuition at Northridge. The 26% is arrived at as follows: 10% plus 16% (16% is 8/10ths of 1% x 20).

To calculate the Sibling Discount, you can use the Excel document online at <http://northridgeprep.org/admissions/affording-northridge>.

Donations and host family credits from The Willows Academy and Embers Academy do not count towards Combined Tuition. Also, the Northridge Discount cannot be combined with financial aid, International Host Family Credit, or any other financial accommodation provided by Northridge.

To receive the Sibling Discount for the upcoming academic year, your family must:

1. Sign the Northridge TADS Tuition Agreement and Enrollment Contract by May 15;
2. Apply on TADS and provide the information of your children and their tuition at Embers Academy or The Willows Academy.
3. Submit a copy of your final tuition statement(s) from Embers and/or Willows Academy to [hchong@northridgeprep.org](mailto:hchong@northridgeprep.org).

The Sibling Discount will be applied to your Northridge tuition account on TADS once you submit your "final" tuition statement(s) from the Willows and/or Embers. A final statement would include all discounts and financial aid granted by Embers or the Willows Academy. If you are not applying for Financial Aid at the Embers Academy or the Willows Academy, you can send us your tuition statement once enrollment opens. If you are applying for Financial Aid at either school, please wait until that aid has been applied to your tuition statement. Then send your statement to Mr. Chong. Once received, Northridge will revise your enrollment contract to include the Sibling Discount.

The Sibling Discount runs concurrently with enrollment and actual sibling payments at all three schools. Should the enrollment or payment situation for your children change, your Northridge Discount will be recalculated at that time. The Sibling Discount is not available for international students.
